Hotline Calls: Calls to KidsCare Hotline that were answered during the month

New Applications Received - Forms: Count of application forms received in the KidsCare Office including Health-e-AZ applications. An application may be for any number of people in the household but is counted only one time.

New Applications Received - Children + Parents: Count of individuals who are requesting KidsCare or HIFA coverage. Requests may be received on application forms described above, as an application to add a new person onto existing cases, or as an automated application sent by DES as the result of the discontinuance of Medicaid eligibility.

New Applications Processed - Children + Parents: Counts individuals whose application for eligibility, described above, was either approved or denied during the month. The application may have been received during the same month or a prior month.

Renewals Processed - Children + Parents: Counts all children and parents whose annual application for renewal was processed during the month. Eligibility may have been continued or ended.

Changes Processed - Children + Parents: Counts all reported changes processed during the month when the changes were not associated with a new application or the eligibility renewal process. The change may have resulted in discontinuance of eligibility or change of premium, or may have no effect on either premium or eligibility. Each eligible person in the household with the change is counted.

DES to KidsCare Children: Children whose Medicaid eligibility was terminated by DES and referred to KidsCare automatically. Although the referrals are automated, all require action on the part of KidsCare staff. These children are included in the "New Applications Received" and "New Applications Processed" counts.

KidsCare to DES Children: Children who have applied or who are eligible for KidsCare and are identified by KidsCare staff as meeting Title XIX requirements. Their applications are forwarded to DES for determination. These children may be included in any of the other counts.

* This number does not agree with the number of children discontinued for non-payment of premiums, because some children who were in households that failed to pay premiums were actually discontinued for another reason.

Children discontinued solely for non-payment are reinstated if payment is made in full before month-end.
